

### **Billing Responsibility**

I was explained all the charges related to Physiotherapy services before the assessment during the consult. I am aware that most of the plans do not pay 100% of the charges and I agree to pay the full cost of the assessment and follow up sessions.

Physio Rehab Group will provide me with the invoice for the services provided with required information on it for submitting it to the insurance company, if applicable.

I do understand that Physio Rehab Group does not take responsibility of keeping a track of my coverage and it's completely my responsibility to monitor my Insurance coverage.

#### **Charges for Physiotherapy services are as follow:**

<b>In Home Physiotherapy Initial Assessment: \$95</b>	(Duration is between <b>45 mins</b> )
<b>In Home Physiotherapy Follow up: \$85</b>	(Duration is between <b>30 – 40 mins</b> )
<b>Online Physiotherapy Assessment: \$65</b>	(Duration is between <b>45 mins</b> )
<b>Online Physiotherapy Follow up: \$50</b>	(Duration is between <b>30 – 40 mins</b> )
<b>In Clinic Physiotherapy Initial Assessment: \$80</b>	(Duration is between <b>45 mins</b> )
<b>In Clinic Physiotherapy Follow up: \$70</b>	(Duration is between <b>30 – 40 mins</b> )

I was explained the **Cancellation policy** and agree to give a **notice of 24 hours**, if I need to cancel my session. There is a **\$25 charge for not giving a 24 hour notice** for cancellation of the upcoming session.

It is the patients responsibility to bear the cost of cancellation fee, and not the insurance company.
